Production Fee Policy

A nonrefundable production fee of $200 per child is due on the day of the Production Fair. This fee should be paid by credit card on our website via your family account.

A $20 late fee will be applied to all accounts not paid in full on the day after the Production Fair (unless a payment plan is in place).

**If a student wants to reject a role, they must do this before the Production Fair.**

Parents, if a payment plan is needed, please request one at (or before) the production fair. If the payment plan payments are late, a $20 late fee will be added to account balance (per production fee that is late).

Please note that all balances must be paid in order to register for the next class session.
